Wood Tailors is for the first time in London, in partnership with Ottiu, Porus Studio, and Creativemary, to give you the opportunity to discover an exclusive selection of its premium pieces, proper of a gentleman club.

TRENDY PIECES FOR THE NEXT SEASON

GEORGE DINING CHAIR

Designed for Vinyl lovers, this sideboard is strikingly handcrafted in solid walnut wood, four-legged structure with several compartments, with its matte-smoked finish, and details in rattan and genuine leather. Harrison establishes a connection between tradition and modernity, allying the imponent, majestic traces of a prestigious club with a modern design where you can put your vinyl player.

GEORGE STOOL & DINING CHAIR

George Stool and Dining Chair are both made in solid walnut wood with rigorous handcraft expertise and round seat upholstered in linen. Along with carefully selected wood, George pieces are enriched with rattan on their back giving it a classy touch. The perfect match between the George Stool and Dining Chair will bring to any room a majestic hint of an exclusive atmosphere.

TRENDY PIECES FOR THE NEXT SEASON

RICHARD CENTER TABLE

Not only for his dauntless valor but also for his strong structure, Richard Center Table has a stately yet elegant round structure in smoked walnut wood finished with natural matte varnish and a top in walnut wood, enriching details in oak. This center table is a majestic piece that will bring the greatness of its inspirations' memories to an exclusive atmosphere.

FLEMING WALL LAMP

With an opulent and elegant round structure in smoked walnut wood, this piece is rich in details in brushed brass and has a textured layer carved in walnut wood. Taking tradition towards a greater modern design path, this wall lamp delivers the right atmosphere with the brightest background.
